Final Preparation Tips – Before the Exam

- **Tip:** Read the BABOK completely
- **Tip:** Join a study group
- **Tip:** Use flashcards
- **Tip:** Register for and use the CBAP Online Study Exam
- **Tip:** If time, re-read portions of the BABOK that gave you trouble on practice exams

Preparation Tips – Right Before the Exam

- **Tip:** Get plenty of rest the night before: don't cram (sleep will help more)
- **Tip:** Drive to the test site in advance so you know how to find it.

Preparation Tips - Day of Exam

- **Tip:** Do whatever relaxes you the day of the exam
- **Tip:** Drink enough water to be hydrated, but not too much
- **Tip:** Bring a snack or two for energy.

Preparation Tips - Day of Exam (cont.)

- **Tip:** Dress in layers to adapt to testing site
- **Tip:** Leave calculators and pens at home (you get a dry erase board)
- **Tip:** Bring earphones in case the site does not provide them (cuts down distracting noises)
- **Tip:** During the exam, beware of the “wall” and remember all the prep you did!

Exam Practice Tips

➤ Practice Tests & Review

- Use our **in-class** exam to start
- Continue with simulation in **Guide**
- Take at least 2 simulations using **Online Study Exam**
- Use your **exam results** to focus your study.

➤ Sample Practice Session

- Isolate yourself from distractions
- Time yourself
- Practice doing your “brain dump” at start
- Take a short break during the practice.
